Explorations in Creative Writing (GCSE English Language Paper 1 Section B – AQA)

Example question:

Write a description for a magazine inspired by this image:

OR

Write the opening of a story about isolation.

24 marks for content and organisation, 16 marks for technical accuracy

Developing your character:

Before the exam, you need to create a fully developed character and know everything about them. When you go into the exam, you can “drop” your character into the image to give you a starting point.

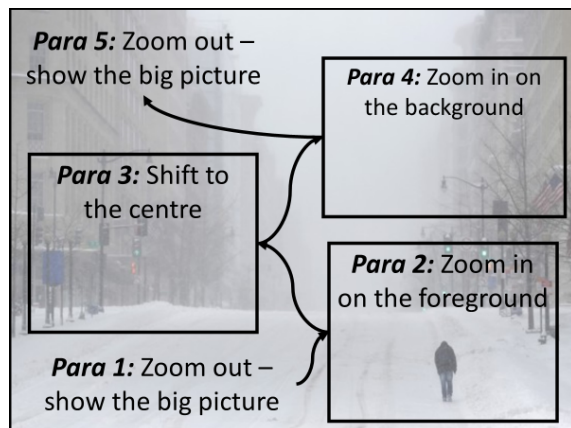

Make sure you know your character’s...

- Family and education background
- Experience of work and employment
- Experience of historical events e.g. World War Two
- Personality and characteristics
- Likes and dislikes (food, clothes...)

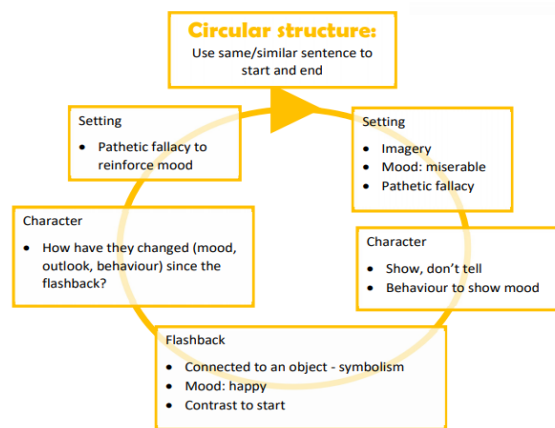

For each of these, ask yourself **why**. E.g. Why does my character become angry easily? Why did my character leave school at 16?

Excellence criteria for self-assessment

Structuring your writing 1: take a journey through the image

Structuring your writing 2: circular structure

Using descriptive language: show, don't tell

We use a range of language devices to show rather than tell the reader what the character is doing. E.g. She was sad. → Her body drooped. Slowly, she wrapped her arms around herself, hoping to stop herself shattering into a million pieces. As her lip began to quiver, a single tear fell.

Use all the language devices listed on the other side of this Knowledge Organiser (see Question 2) to describe:

- | | | |
|------------------------------|-----------------------------|---|
| ○ Facial expression | ○ Reactions to other people | ○ Changing weather |
| ○ Body language and movement | ○ Tone of voice | ○ How an object moves |
| ○ Clothing and appearance | | ○ How an event makes the character feel |

8. More, more, more sentence:	The more he cried, the more he felt...
9. The so, so sentence:	It was so small, so tiny...
10. It was one of those days...	It was one of those days when...
